## Mechanical Engineer

### EXPERIENCE

#### GO FOR MULTI ACTIVITIES

(2/2021 - 4/2023)

driving sales and securing contracts for HVAC and MEP systems. With a focus on meticulous maintenance, I ensure optimal performance and longevity, fostering client satisfaction and sustainable business growth through expert preparation, execution, and rehabilitation of installations.

#### KHM CONTRACTING

(8/2019 - 9/2020)

MEP Project Manager, I oversee construction projects, ensuring efficient coordination and timely completion within budget. and Maintenance/Rehabilitation Engineer, I ensure smooth unit operation by conducting maintenance and troubleshooting failures.

#### Supply chain engineer

(11/2018 - 7/2019)

Khartoum Sudan

Supply chain-focused HVAC engineer adept in sourcing, procurement, and logistics. Expertise in providing equipment, tools, and materials, facilitating seamless delivery to client companies for efficient project execution.

#### Petra air conditioning

(4/2017 - 11-2018)

Khartoum Sudan

project engineer design, installation, and optimization of HVAC systems. Leading project teams, ensuring adherence to standards and client needs for efficient and reliable performance.

#### M&M ICT TECHNOLOGY

(2/2016 - 4/2017)

Site engineer proficient in maintenance and rehabilitation, I specialize in troubleshooting failures and optimizing energy efficiency. With expertise in BMS installation, I ensure compliance with safety regulations for efficient operations.

### EDUCATION

#### Sudan University of Science and technology

Bachelor of mechanical engineering

2010-2015
